POSITION(S): 1

DISTRIBUTION: Statewide

DESCRIPTION OF MAJOR DUTIES:

In the Director's Office of the Division of Codes and Standards will assist the project manager of the RIMS system in identifying appropriate programming solutions to address data issues and assist in monitoring interfaces to ensure proper operations. The employee will be required to write/execute SQL statements against Oracle database, build/modify Business Objects Universes and develop Business Objects reports as requested.

REQUIREMENTS

EDUCATION:

Graduation from an accredited college or university with an Associate's degree in Computer Science.

EXPERIENCE:

Three (3) years of systems analysis, applications programming, design, systems programming and/or data base administration experience in the data processing field of which one (1) year shall have been in data base design, analysis, and or implementation.

NOTE: A general Bachelor's degree can be substituted for one (1) year of experience in systems analysis, application programming, design, systems programming, and/or data base administration.

NOTE: A specific Bachelor's degree in Computer Science can be substituted for two (2) years of experience in systems analysis, application programming, design, systems programming, and/or data base administration.

NOTE: A Master's degree in Computer Science may be substituted for three (3) years of experience in systems analysis, application programming, design, systems programming, and/or data base administration.

Special Note Substituting Experience for Education: Experience in the study of work methods and processes, the analysis of varied types of data, the design and preparation of systems and programs, the operation of multiprogramming computer systems and work in the data processing support areas of input/output control or reliability support may be substituted for the required education on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

NOTE: Formal training in data processing received at an accredited institution may be submitted with your application for an evaluation by the Department of Personnel for possible credit. These training courses will be examined to see how they compare, both in hours and content, to college courses to which they equate. In-house training courses will not be accepted as meeting this criterion; thus, they will not be evaluated.

LICENSE:

Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.
